

GOVERN FOR IMPACT YOUNG PROFESSIONALS SCHOLARSHIP FUND APPLICATION FORM 2020

The Govern YP scholarship fund is designed to support young professionals interested in effective boardroom governance either in the corporate or non-profit sector. It will be administered by Govern for Impact (formerly the International Policy Governance Association) and is designed to encourage participation by young professionals around the world. This year, due to the global COVID-19 pandemic, the annual Govern for Impact conference will be virtual.

Attending our virtual conference gives the chance for young people to learn about best governance practices from established leaders in the industry and to create individual and collective momentum through sharing their insights and ambitions.

Completion of the following application is required for all those interested in being considered as a recipient of the Govern YP Scholarship Fund. All applicants must be between the ages of 18-35, on or before December 31, 2020.

Govern for Impact thanks all applicants for their interest; however, only those who meet criteria demonstrating the greatest need will be granted a scholarship.

Applicants will be considered based on a variety of factors, including (but not limited to): financial need and level of governance-related interest and involvement.

Successful applicants will be notified of their award on or before June 3, 2020, and will be offered a scholarship in the amount of the registration fee.

Please answer all of the following questions as completely as possible. **All applications must be received by midnight (Eastern Time) on May 31, 2020.**
